

operator or farm owner shall file such reports.

(c) Acreage reports will be used to determine compliance with proportionate shares and acreage bases for future proportionate shares.

(d) An acreage report may be accepted after the established date for reporting if physical evidence is still available for inspection that may be used to make a determination relative to:

- (1) Existence of the crop;
- (2) Use made of the crop;
- (3) Lack of crop; or
- (4) Disaster condition affecting the crop.

(e) The farm operator shall pay the cost of a farm visit by an authorized FSA employee unless the county FSA committee has determined that failure to report in a timely manner was beyond the producer's control.

(f) The farm operator may revise an acreage report. Revised reports shall be filed in accordance with CCC instructions and shall be accepted at any time if:

(1) Evidence exists for inspection and determination of:

- (i) Existence of the crop;
- (ii) Use made of the crop;
- (iii) Lack of crop; or
- (iv) Disaster condition affecting the crops.

(2) The farm has not already been inspected and the acreage already determined or harvesting of sugarcane already begun.

(g) Provisions of part 718 of this chapter will apply for field inspections, tolerance, and variance. Assessments for false acreage reporting will be applied under § 1435.318.

§ 1435.317 Revisions of allocations and proportionate shares.

The Executive Vice President, CCC, may modify any processor's allocation or any producer's proportionate share on the same basis as the initial allocation or proportionate share was required to be established.

§ 1435.318 Penalties and assessments.

(a) Under § 359b(c)(3) of the Agricultural Adjustment Act of 1938, as amended, any sugar beet or sugarcane processor who knowingly markets sugar or sugar products in excess of the

processor's allocation in violation of § 1435.307 shall be liable to CCC for a civil penalty in an amount equal to 3 times the U.S. market value, at the time the violation was committed, of that quantity of sugar involved in the violation.

(b) Under § 359f(c)(5) of the Agricultural Adjustment Act of 1938, as amended, any producer of sugarcane whose farm has a proportionate share, and who knowingly harvests or allows to be harvested an acreage of sugarcane for sugar or seed in excess of the farm's proportionate share shall pay to CCC a civil penalty in an amount equal to 1.5 times the U.S. market value of the quantity of sugar that is marketed by the processor of such sugarcane in excess of the allocation of such processor, for the year in which the violation was committed. However, civil penalties will not be assessed when the producer harvests acreage for sugar or seed in excess of the farm's proportionate share, if the excess sugarcane harvested is:

(1) Processed by a sugarcane processor that does not exceed its marketing allocation; or

(2) Diverted to a use other than sugar or seed if:

- (i) The sugarcane producer requests and pays for a CCC field inspection, and
- (ii) CCC verifies the disposition of the excess harvest is not for sugar or seed.

(c) Any penalty assessed under paragraph (b) of this section shall be prorated among the producers of all sugarcane acquired by the processor from excess acres.

(d) Any person filing a false acreage report that exceeds tolerance will be subject to an assessment not to exceed \$10,000. Whenever the failure of a producer to comply fully with the terms and conditions applicable to proportionate shares would result in an assessment, the Deputy Administrator may authorize the waiver or reduction of the assessment in such amounts as determined to be equitable about the seriousness of the failure, the producer's good-faith effort to comply fully with such terms and conditions, and the producer's substantial performance.

(e) Any person who knowingly violates any provision of this subpart
